

Science Education Foundation of Indiana, Inc.

January 1, 2017

Congratulations on being selected a winner and having an outstanding project at your Regional Science Fair. We at the Science Education Foundation of Indiana are pleased to extend an invitation to you to participate in the 29th Hoosier Science and Engineering Fair that will be held in the Campus Center at IUPUI in Indianapolis, Indiana. The fair date is Saturday April 1, 2017. A tentative program is included in this mailing.

Please read all of the information in this packet carefully and comply with all of the guidelines to ensure a trouble-free event.

Enclosures with this letter include:

1. General Information about what to bring to HSEF
2. Display and Safety Guidelines
3. Waiver of liability and Photo Release form. (required of all projects)
4. Map to the IUPUI Campus with parking instructions
5. Scholarship application (for Grade 12 students only will be available for download on the HSEF website)

Again, Congratulations on your good work. I look forward to seeing you soon.
